

## STUDENT COUNSELLING SET UP

CCET has a robust student counselling mechanism in place to facilitate mental wellness of students. For this the following facilities exist.

It provides professional counselling and psychological assistance for all students and staff. This is to promote and ensure a healthy environment and emotional wellbeing. Any Individual (student/ staff) in the campus has any issues related to academic performance, emotional disturbances, family issues, behavioural/habitual disorders, social isolation etc is helped by a Professional counsellor. The student or the staff approaches the counsellor on their own interest or the Teachers, HODs, Principal identify them and refer them for counselling, sometimes even the counsellor identifies the needy and counsels.

Sub: Christ of Engineering and Technology (CCET), Puducherry — Nomination of Student counselor-reg

The Management and Principal of Christ College of Engineering and Technology (CCET), Puducherry is pleased to provisionally appoint you as Psychologist through proper channel. We hope your expertise and experience would help our students to share and express their emotional outburst and suppressed feelings in a confidential environment which would help the student to overcome their emotional and psychological difficulties and become self-motivated, self-confident and self-reliant and also improve their academics and develop right behaviour, values and ethics in their life.

You will be governed by the 'Rules and Regulations' of Christ College of Engineering and Technology students who are to be encouraged towards better performance subject to the following criteria includes but not limited to:

- To devise suitable ways and means in order to pay a special attention towards the academically weaker
- To motivate the students, offer wise counsel to them, inculcate an attitude of discipline among them.

with kindest regards
