### NATIONAL INNOVATION & STARTUP POLICY

#### About NISP

NISP 2019 was launched by the Hon'ble Minister of HRD on September 11, 2019. The National Innovation and Startup Policy 2019 for students and faculty of Higher Education Institutions (HEIs) will enable the institutes to actively engage students, faculties, and staff in innovative entrepreneurship-related activities. This framework will also facilitate the Ministry of Human Resource Development in bringing uniformity across HEIs in terms of Intellectual Property ownership management, technology licensing and Institutional Startup policy, thus enabling the creation of a robust innovation and Startup ecosystem across all HEIs.

The 'National Student and Faculty Startup policy 2019' is a guiding framework to envision an educational system oriented towards startups and entrepreneurship opportunities for student and faculties.

#### **The objective of this policy formulation are as follows:**

- ❑ To guide HEIs to promote and motivate students for Innovation & Entrepreneurship
- ❑ To create Innovation Pipeline and Pathways for Entrepreneurs
- ❑ To Incentivize Faculty & Students for Entrepreneurship
- ❑ To provide Incubation & Pre-Incubation support
- ❑ To collaborate and Co-create the Business Relationship and Knowledge Exchange

#### **The main features of this policy are as follows:**

- ❑ Creation of 'Innovation fund' for supporting innovative projects and Start-ups by allocating minimum 1% of institution's total budget.
- ❑ Academic break for a semester/ year to work on their startups Credits for working on innovative prototype/ business models.
- ❑ 2% – 9.5% Equity/ stake in startup/ company by Institute's incubator.
- ❑ Complete Ownership of IPR by the inventors in case of non-usage of the institute's facilities/ resources.
- ❑ Services to be offered by the institution in lieu of equity, fee-based, or zero payment model.
